Selling Commercial Ewes

Do you own commercial hair sheep and use Registered Katahdin rams?

We will help you market your Katahdin influenced commercial ewe lambs.

Contact KHSI Operations Office at contact information below to enroll and verify that you have purchased Registered Katahdin rams in the last three years and how many ewes you are running them with.

By enrolling in the KatPlus program, your name and information will be included on a special KatPlus Ewe Page on our website and KatPlus program ear tags will be provided at minimal cost.

Buying Commercial Ewes

Are you looking to buy large lots of commercial Katahdin or Katahdin-influenced ewe lambs?

We are providing a market place on our website for commercial hair sheep flocks producing ewe lambs from Registered Katahdin Rams

Go to www.Katahdins.org and look for the KATPlus Ewe page under "Ads. Read the descriptions of the management styles of the sheep offered for sale and pick what is important for your flock goals.

All transactions are between the buyer and the seller. KHSI is only helping make the introduction.
